PPFHA Disclaimer: All individuals (including, but not limited to, service providers, competition staff, volunteers, and licensed officials) who enter the venue must sign the Piedmont PFHA Waiver and Release, page 19 .

Piedmont PFHA (PPFHA) is eager for you and your horses to return to competition!

We also recognize the huge responsibility that comes with returning to competition. We take this responsibility very seriously and are already at work to ensure that the return of our volunteers, staff, officials, exhibitors, owners, and trainers can be managed safely and successfully.

Piedmont PFHA Officers and Board Members are committed to providing a safe and fun experience for all show attendees, staff volunteers and officials, especially as we emerge from coronavirus (COVID-19) restrictions.

Although the Paso Fino Horse Association (PFHA) has waived qualification points to compete at the 2020 Grand National Show (GNS), we feel it is important to provide an opportunity to attend a competition prior to the 2020 GNS.

The show will be a one-day competition with an abbreviated show schedule. Show management will accept and approve exhibitor requests to combine and/or split and/or add classes as much as reasonably possible. Show Management will make every effort to ensure classes are not missed.

There will be no spectators allowed during the event.

In conjunction with T. Ed Garrison Arena, local, state and federal recommendations and mandates, including those from the World Health Organization (WHO), Centers for Disease Control and Prevention (CDC) and United States Equestrian Federation (USEF), the following guidelines have been implemented to alleviate the potential impact of COVID-19 and to ensure that the re-introduction of horse shows is smooth, efficient and most importantly, safe for all involved.

Thank you in advance for abiding by these guidelines while visiting our venue and for your ongoing support of Piedmont PFHA.

USEF has developed a comprehensive approach to returning to competition with appropriate COVID-19 protocols. PPFHA has used these guidelines as the basis for our plan. In addition, we have utilized the WHO/FEI risk assessment to measure the effectiveness of our planning efforts. With the use of this risk assessment, we have been able to determine that with all policies and practices applied, we are operating at a low level of risk.

You will see signage, reminders, and information around the facility that will remind all of us of the importance of using personal protective equipment (PPE), handwashing and social distancing. We will do what we can to ensure we do not grow complacent with practices we know will help all of us stay safe.

WEAR---a mask.

WAIT---6 feet apart.

Social distancing is our norm.

WASH---your hands for 30 seconds with soap and water or 80% alcohol hand sanitizer, often

All employees, competitors, and visitors on the T. Ed Garrison Arena property must wear face masks or face coverings at all times, with the exception of when actively riding and must practice social distancing at all times while on competition grounds by staying at least 6 feet (about 2 arms' length) from any person who is not a member of their immediate household. Members of the same household are still required to wear masks or face coverings when there is a possibility of being within six feet of any other individuals, including members of their own household.

No Spectators allowed

Registered guests and essential personnel only permitted on property

Gatherings are restricted to 10 people or less

Volunteers, Staff and Officials of PPFHA will have temperature monitoring daily. No person will be allowed to work if any symptoms or temperatures exist. We request that barns with multiple competitors/employees be responsible for monitoring the daily temperatures of each individual, ensuring protection for your teams and those around you.

We also request that individuals self-monitor and not remain on property if any concerns exist about an individual's wellbeing.

If you are not feeling well or have any symptoms of illness, please stay home!

As practically as possible, we are creating a touchless process for engagement with horse show operations. We desire to create a seamless, touchless process that will become our "new normal" as it best protects you and simplifies the processes of doing business.

All entries and signed releases must be emailed prior to arrival and must be complete! NO EXCEPTIONS!! All stabling registration must be done electronically through the show secretary's email, juliealdred@att.net

MANDATORY REQUIREMENTS FOR PARTICIPANTS

Participants are required to comply with these and any additional Competition Organizer requirements at all times while present on competition grounds. Failure to do so may result in expulsion from the grounds. These requirements are in effect immediately and until further notice, however, they are subject to revisions as the COVID-19 virus environment changes.

Waiver/Release & Indemnity Agreement must provide emergency contact information and execute an updated Waiver and Release of Liability, Assumption of Risk and Indemnity Agreement as a condition of participation.

Participants and Support Personnel are required to self-monitor their temperature once daily prior to entering the competition grounds. Anyone with a temperature of 99.5° F (37.5° C) or higher may not enter the facility.

• Anyone who:

- exhibits COVID-19 symptoms,
- has tested positive for COVID-19 within last two weeks, or
- has been in contact with someone who has tested positive for COVID-19 within the last two weeks*

cannot enter the competition grounds.

- *Exception: Healthcare personnel who have treated patients using appropriate medical grade PPE during the course of performing professional duties are exempted from this restriction.
- Refer to Appendix A for CDC guidelines for self-isolation/quarantine directives in the event a person has a fever or exhibits other symptoms of COVID-19.

• Participants and Support Personnel are required to wear a facemask or face covering when in any setting where there is a possibility of being within six feet of other individuals, and when not mounted on a horse. You can find recommendations for proper use of face masks and face coverings via the Centers for Disease Control & Prevention website.

****A participant may choose to wear a facemask or face covering when mounted on a horse and cannot be disqualified or penalized for doing so while competing.**

• If any person who was present on the competition grounds tests positive for COVID-19 within 14 days of the conclusion of competition, USEF must be notified immediately. Direct USEF reports to ksacco@usef.org

• Comply with social distancing requirements at all times while on the competition grounds.

• Wash hands often and adhere to other sanitization practices throughout the day.

Awards and Ribbons:

Awards and Ribbons will not be presented to minimize close contact.

Camping: All requirements as listed in this document regarding social distancing, wearing of masks, and temperature monitoring must be followed while camping on the event grounds.

Enforcement of Social Distancing:

The use of a mask or face covering does not exempt anyone from maintaining a 6-foot distance from another person. If social distancing and/or mandatory requirements are not followed at the competition, it must be reported to the Competition Manager and the Show Steward at the competition. These matters should be handled immediately at the competition, if possible. The Show Steward will inform individuals when they are in violation of the mandatory requirements and will be documented. **If a second warning is issued, Competition Management will facilitate the removal of an individual with no refund!** The Show Steward must report instances of non-compliance in the Show Steward Report.

Entry Process

All entry forms, signed releases, and payment are required prior to arrival. PFHA & USEF MEMBERSHIPS MUST BE CURRENT. **SAFE SPORT TRAINING MUST BE COMPLETED**

Once all forms are received and processed, you will be assigned a back number.

The entry process will remain open until July 20.

Entries will be limited by maximums allowed per ring per day.

Essential Support Persons:

Support personnel must be limited to one person per horse besides the competitor. Parents are considered Essential Personnel for Junior exhibitors. At all times while on venue grounds, essential support persons for each horse, including riders, trainers and grooms during competition, must be identifiable by wearing an entry number ID of the horse they are supporting.

Face masks or face coverings:

Face masks or face coverings are required when outdoors in any setting where there is a possibility of being within six feet of other individuals with the exception of when actively riding. All competitors, grooms, trainers, and essential support personnel and all officials, staff, volunteers, and other participants are required to wear face masks or face covering. **Face masks and face coverings must fully cover the nose and the mouth while being worn.**

Face masks are required at all times inside the building.

Limit of Entries: If a state or locality imposes restrictions and/or an organizer's ability to accept out of state entries or imposes limitations on the number of individuals allowed at a group gathering, that ordinance will guide the competition's ability to operate and dictate the number of individuals allowed at the venue.

Personal Protective Equipment (PPE):

PPFHA will not provide PPE, disinfectants, or thermometers to participants. PPFHA will provide sanitation stations throughout the grounds with either soap and water, hand sanitizer, or both.

Participants are required to wash hands often and adhere to other sanitization practices throughout the day. It is incumbent upon them to bring supplies as well.

PPFHA will provide PPE to their competition staff, volunteers, and officials.

Participants are responsible for their own PPE and that of their support teams.

PPFHA will not provide masks to competitors.

Restricted Access to Event Venues:

Competition Management will arrange temperature monitoring upon arrival each day for staff, officials, service providers and volunteers entering the venue grounds. Any person who has a temperature of 99.5° F (37.5° C) or higher or has symptoms of COVID-19 will not be allowed to enter the competition grounds. Additionally, except for healthcare personnel who have treated patients using appropriate medical-grade PPE during the course of performing professional duties, anyone who has been in contact with a person who has tested positive for COVID-19 in the past 14 days cannot enter the competition grounds.

Stabling Areas:

Social distancing will be enforced in the stabling area. Stabling areas will be strictly limited to essential personnel during limited operations. Horses will be spread out between barns. Individual competitors not affiliated with a competing barn or group will be assigned to separate ends of aisles. Hand sanitizing stations will be placed at each barn.

Handwashing or Hand Sanitization is encouraged before entering stabling area. Individuals should touch only the equipment and supplies necessary for completing tasks of caring for and exercising the specific horse(s). They should not share equipment between individuals - helmets, grooming supplies, tack, etc.

Water buckets and feed buckets/tubs should be in a fixed position within the stall to ensure feed or water can be provided without touching or removing these items.

The coronavirus can survive in the air up to three hours, on copper up to four hours, on cardboard up to 24 hours, and on stainless steel and plastic up to 72 hours.

The virus may persist on nonporous materials (leather bridles/saddles/halters, nylon halters/lead ropes, gate latches, door handles, spray nozzles) longer than porous materials (cotton lead ropes, saddle pads).

Suggestions for exhibitors:

Clean communal leather tack daily with tack cleaner.

Disinfect stall door handles, gate latches, crosstie snaps, light switches, feed scoops, hose ends, spray nozzles, pitchforks, wheelbarrows, and other frequently handled surfaces regularly or after contact with personnel.

Although there is no evidence that horses can contract or become ill from COVID-19, good hygiene should be practiced by washing hands or using at least 70% alcohol hand sanitizer after touching a horse, communal areas, or communal equipment to prevent environmental spread of the virus.

Warm up Rings/Areas

The number of horses and people allowed in rings at one time to practice social distancing will be posted. All people must practice social distancing.

If any person who was present on the competition grounds tests positive for COVID-19 within 14 days of the conclusion of competition, they must immediately notify USEF. Direct USEF reports to ksacco@usef.org.

We ask that competitors regularly sanitize your bikes/motorbikes/golf carts/car and truck door handles, stable doors, bucket handles, light switches and equipment including: tack, grooming, feeding, stall cleaning materials, etc. Please provide gloves and masks to your barn staff and other personnel.

THANK YOU FOR YOUR COOPERATION AND SUPPORT AS WE WORK TOGETHER TO ENSURE EVERYONE'S SAFETY.

Requirement: Face masks/face coverings must be worn whenever you have the possibility of being within six feet of another person (including members of your own household), except when mounted on a horse or seated in a horse-drawn carriage or cart. *Please do your part and wear your face mask/face covering as required.*

- Because you cannot predict when another person may be within six feet of you, it is best to keep your face mask/face covering with you at all times while on competition grounds, including those times when you are going to an area where you may be alone or at a greater distance than six feet from another person. This will ensure that you are able to apply your face mask/face covering prior to being within six feet of another person.
- Make sure you are wearing your face mask/face covering prior to entering competition areas where you are likely to be near other people, including areas such as the in-gate, arena, schooling area, restroom, food stand, show office, vendors, stabling, etc.
- If you become hot while wearing your face mask/face covering, move to a location where you are alone or at a distance greater than six feet from another person (and preferably 12 feet or more), and lower or drop one side of your face mask/face covering to cool off.
- *If an official, competition organizer or member of the organizer's team requires you to don a face mask/face covering, you must comply.*

Requirement: All individuals must practice social distancing (or physical distancing) at all times while on the competition grounds by staying at least six feet (about two arms' length) from any person who is not a member of their immediate household. An *immediate* household is comprised of individuals who may or may not be related but are consistently living in the same house or dwelling.

- Members of an immediate household are still required to wear face masks/face coverings when there is a possibility of being within six feet of any other individuals, including members of their own household.
- Competition organizers are encouraged to implement a system that visually (e.g., numbered or colored IDs or some other form of credential) identifies members of the same immediate household.
- *If a competition organizer requires that everyone on the show grounds respect social distancing for the consistency of enforcement, you must comply with this requirement.*

If face covering and social distancing and/or mandatory requirements are not followed at the competition, it must be reported to the Competition Manager and the Show Steward at the competition. The Show Steward will inform individuals when they are in violation of the mandatory requirements and it will be documented. **If a second warning is issued, Competition Management will facilitate the removal of an individual with no refund!** The Show Steward must report instances of non-compliance in the Show Steward Report.
